"शिवस्वराज्य दिन सोहळा" Celebration at DR VN BRIMS

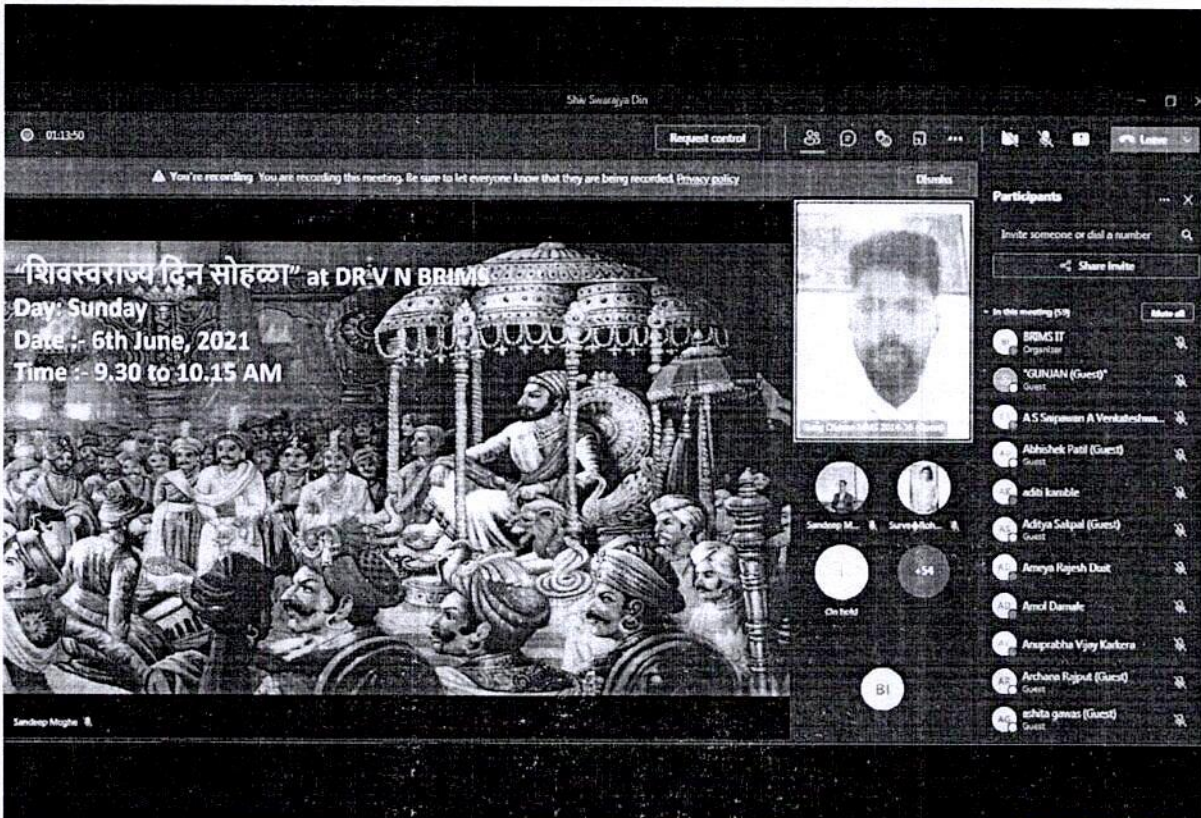

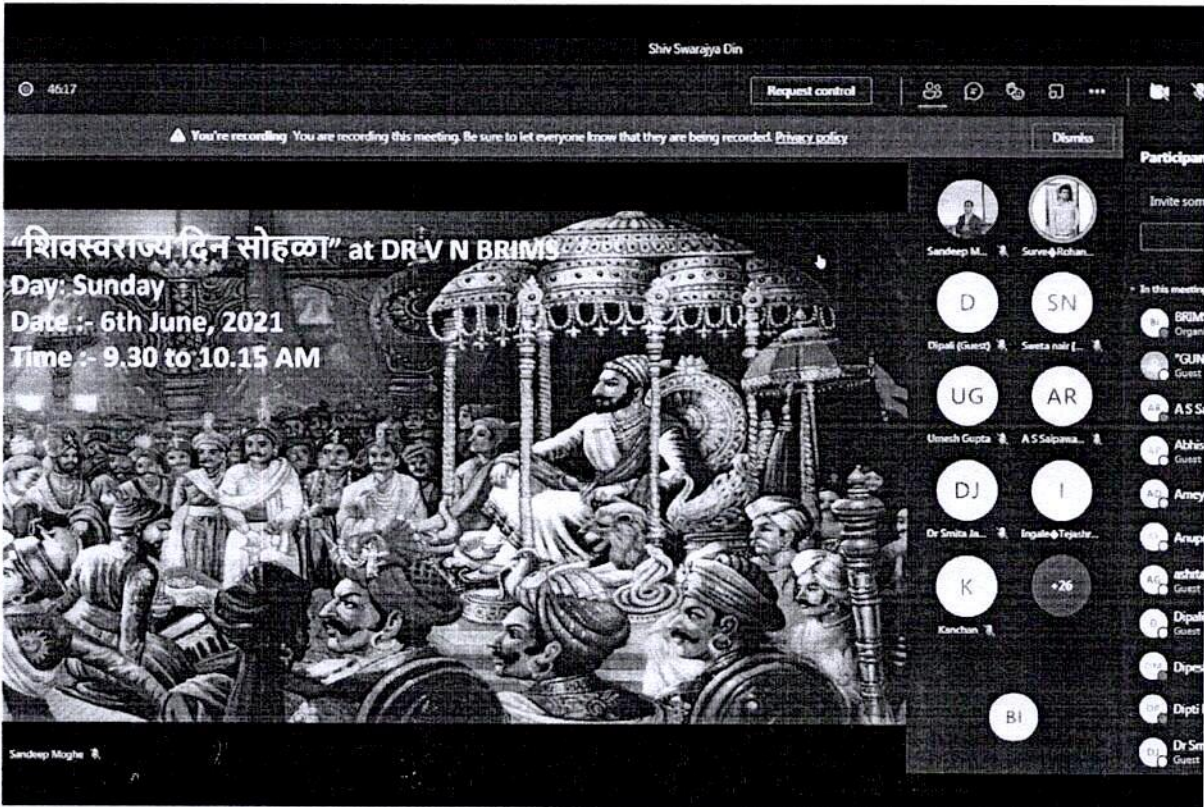

On June 6th, 2021, "शिवस्वराज्य दिन सोहळा" was celebrated at DR VN BRIMS with great enthusiasm and reverence. The event, coordinated by the CSR committee, included a series of cultural and educational activities aimed at honoring the legacy of Chhatrapati Shivaji Maharaj. The celebrations featured speeches, traditional performances, and an exhibition showcasing the life and achievements of Shivaji Maharaj, highlighting his contributions to the Maratha empire and his role as a visionary leader. The event successfully instilled a sense of pride and respect for our rich historical heritage among the participants.

The celebration not only honored a pivotal figure in Indian history but also reflected the institution's commitment to cultural education and community engagement. By commemorating "शिवस्वराज्य दिन," DR VN BRIMS reinforced its dedication to fostering a deeper understanding of historical and cultural values among students and staff. The involvement of the CSR committee in organizing this event exemplifies the institution's holistic approach to education, which includes promoting social responsibility and cultural awareness. This celebration was a testament to the vibrant spirit and unity of the DR VN BRIMS community.

International Yoga Day Celebration at BRIMS

On June 21st, 2021, Dr. Pallavi Chandwaskar, on behalf of IQAC, organized the "International Yoga Day" event online for all at BRIMS. The event featured Prof. Siddhesh Soman from the Sports Committee in collaboration with Shri Ambika Yog Kutir. Yoga trainers from the organization conducted the Common Yoga Protocol, inspiring participants to adopt yoga practices as part of their daily routines. This initiative emphasized the importance of physical and mental well-being, particularly in the context of the ongoing global health challenges.

The event was well-received, with numerous participants joining in to learn and practice yoga. The trainers from Shri Ambika Yog Kutir provided valuable insights into the benefits of yoga and demonstrated various postures and techniques to enhance overall health. By promoting yoga, the event aimed to foster a culture of holistic well-being within the BRIMS community. The success of this online event highlights the institution's commitment to promoting healthy lifestyles and underscores the importance of integrating wellness practices into everyday life.

Session on Air Pollution

On August 10, 2021, Rajesh Salaskar conducted a session on "Air Pollution." This informative session attracted 26 participants who were keen to understand the causes, effects, and mitigation strategies related to air pollution. Rajesh Salaskar discussed various sources of air pollution, including industrial emissions, vehicular exhaust, and agricultural practices, highlighting their impact on human health and the environment.

During the session, participants engaged in discussions about the importance of air quality monitoring, regulatory measures, and individual actions to reduce pollution levels. Salaskar also emphasized the role of technology and policy interventions in addressing air pollution challenges, encouraging participants to advocate for cleaner air initiatives in their communities.

Overall, the session served as a platform for raising awareness and empowering participants with knowledge and practical solutions to combat air pollution and promote healthier living environments.

Climate Change

On November 27, 2021, Dr. Neelima Kulkarni, Chairperson of Hariyali, delivered a lecture on "Climate Change." The session, held from 11:00 AM to 12:15 PM, attracted 45 participants eager to understand the implications and challenges of climate change. Dr. Kulkarni discussed the science behind climate change, its causes, and its far-reaching impacts on ecosystems, weather patterns, and human societies worldwide.

During the lecture, participants engaged in discussions about sustainable practices, mitigation strategies, and the importance of global cooperation in addressing climate change. Dr. Kulkarni emphasized the role of individuals, communities, and policymakers in advocating for environmental stewardship and reducing carbon footprints.

The event served as a platform for raising awareness and fostering dialogue on climate-related issues, inspiring attendees to take proactive steps towards environmental conservation and resilience-building in their respective spheres.

Session on Election Awareness and voters rights

On January 24, 2022, Prof. Vinod Wagh conducted a session on "Election Awareness and Voters' Rights." The session, held from 12:00 PM to 1:00 PM, attracted 101 participants eager to understand their rights and responsibilities as voters. Prof. Wagh discussed the electoral process, the importance of voter participation, and the significance of exercising democratic rights responsibly.

During the session, participants engaged in discussions about electoral laws, voting procedures, and the role of informed decision-making in democratic governance. Prof. Wagh emphasized the ethical principles underlying electoral practices and the need for transparency and accountability in electoral systems.

The event provided a platform for raising awareness about the electoral process, empowering participants with knowledge to make informed choices during elections, and encouraging civic engagement among the community.

Poster Making Competition on "National Energy Conservation" at BRIMS

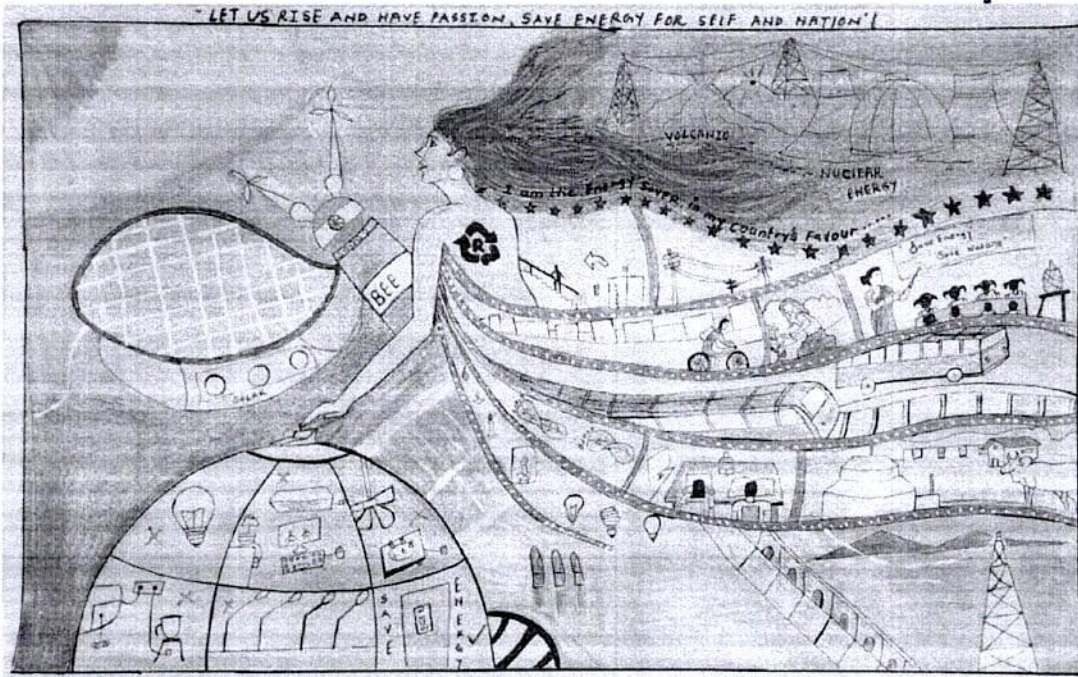

On February 22nd, 2022, Dr. Meenakshi Malhotra, on behalf of the IIC, organized a poster making competition on the theme "National Energy Conservation." The competition aimed to raise awareness about the importance of conserving energy and to encourage creative expression among participants. Students showcased their artistic talents and highlighted innovative ideas for energy conservation through their posters.

The event was a success, with numerous participants enthusiastically contributing their artworks. The posters emphasized various aspects of energy conservation, such as renewable energy sources, reducing energy consumption, and the environmental benefits of conserving energy. This competition not only fostered creativity but also educated the BRIMS community on the significance of energy conservation in ensuring a sustainable future.

Guest Session on "Sustainability and Social Relevance of Business" at BRIMS

On February 24th, the CSR committee organized a guest session on the theme "Sustainability and Social Relevance of Business." The event featured guest speaker Mr. Kaushik Merchant, who shared practical insights into sustainability and its implementation through live case studies. The session aimed to educate participants on the importance of integrating sustainable practices within business operations.

Mr. Merchant's presentation provided a comprehensive understanding of how businesses can contribute to social and environmental well-being. By showcasing real-world examples, he illustrated the tangible benefits of adopting sustainable practices. The event was well-received by attendees, who gained valuable knowledge on the intersection of business and sustainability. This initiative reflects BRIMS's commitment to promoting responsible business practices and enhancing the social relevance of its educational programs.

International Mother Language Day Celebration at DR VN BRIMS

On March 3rd, International Mother Language Day was celebrated at DR VN BRIMS with the theme "Expressions." The event was organized by CSR committee. Student organizers Ms. Kadambari Kawale and Mr. Omkar Bhanushali played a key role in making the event a success.

During the celebration, students recited their self-written poems, articles, and songs in their mother languages. This event provided a platform for students to express themselves creatively and to honor the linguistic diversity of the community. It fostered a deeper appreciation for cultural heritage and encouraged the preservation of various mother languages.

International Women's Day Celebrations at DR VN BRIMS

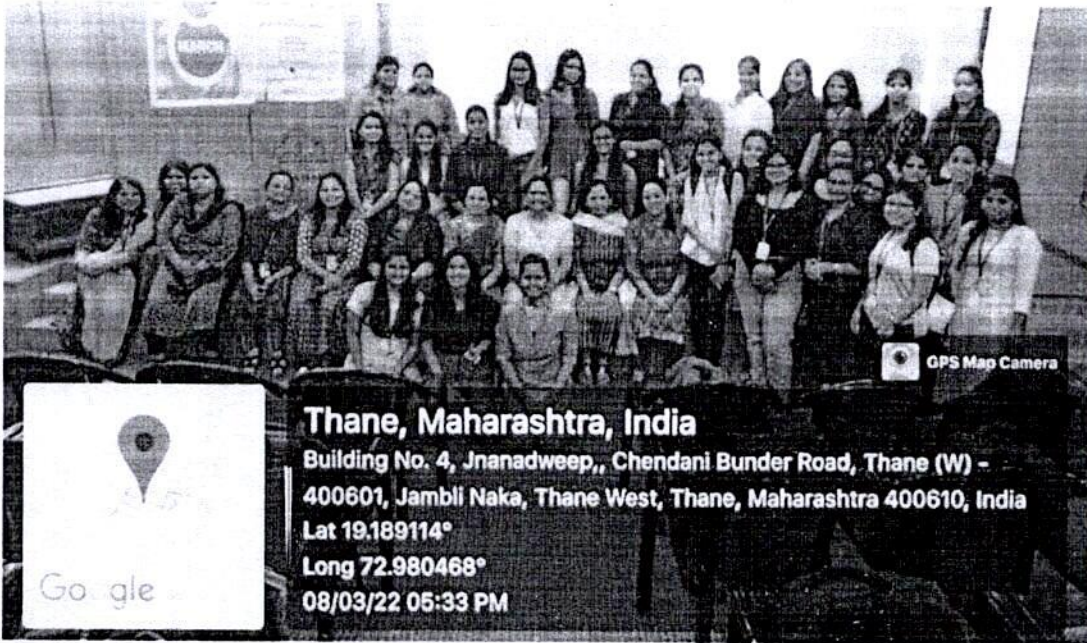

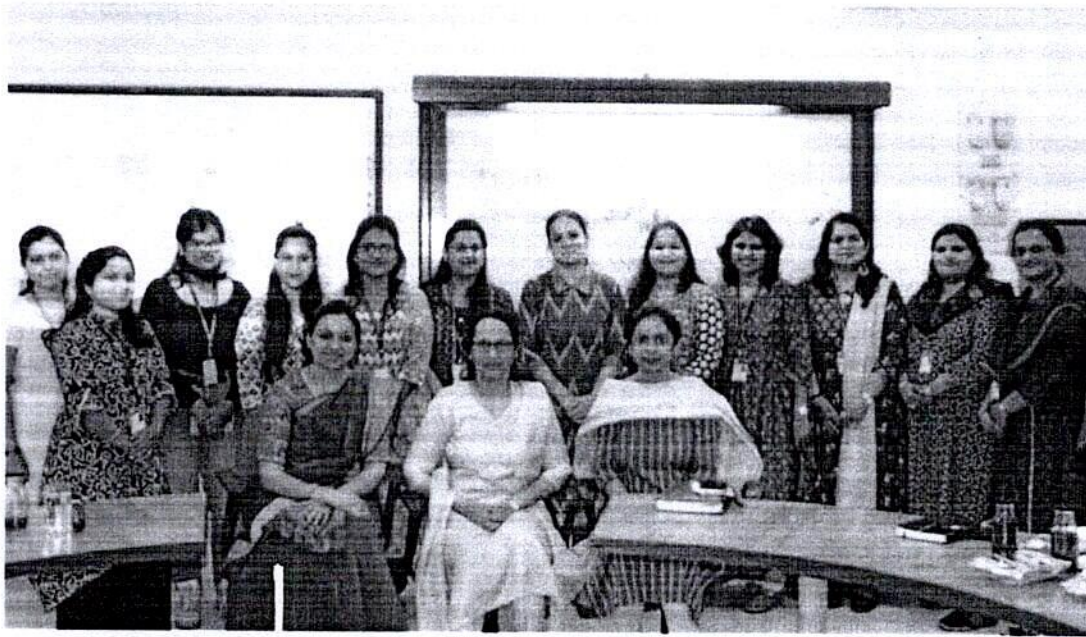

On March 8th, 2022, in observance of International Women's Day, the Women Development Committee organized two significant sessions. The first session, titled "Breaking the Glass Ceiling," was delivered by Mrs. Sujata Soparkar, Managing Director of Integrated Electronics Technology Pvt. Ltd., and was specifically aimed at women staff members. This session focused on empowering women to overcome professional barriers and achieve their full potential.

Additionally, a guest session on "Women Health and Hygiene" was organized for girl students and staff members, presented by Dr. Supriya Chincholkar. This session provided valuable insights into maintaining health and hygiene and addressed issues pertinent to women's well-being. Both sessions were well-received, highlighting the institution's commitment to supporting and empowering women in both personal and professional spheres.

Celebration of "Shivrajabhishek Din" at BRIMS

On June 6th, 2022, Team BRIMS celebrated "Shivrajabhishek Din" in Panini, in collaboration with our VPM group of institutions. The event commemorated the coronation of Chhatrapati Shivaji Maharaj, recognizing his significant contributions and legacy. The celebration included various activities and programs that highlighted the historical and cultural importance of Shivaji Maharaj's reign.

The collaboration with the VPM group of institutions enhanced the event's impact, fostering a shared sense of heritage and pride among participants. The celebration was a tribute to the visionary leadership of Chhatrapati Shivaji Maharaj and served to inspire and educate attendees about his enduring legacy.

Tree Plantation Activity at BRIMS

On June 23rd, 2022, Team BRIMS carried out a tree plantation activity on our campus. This initiative aimed to enhance the green cover of the campus and promote environmental sustainability. Participants from the team actively engaged in planting various trees, contributing to the institution's efforts to improve the campus's ecological footprint.

The activity not only helped in beautifying the campus but also reinforced our commitment to environmental stewardship. By involving the BRIMS community in this green initiative, the event highlighted the importance of collective action in fostering a healthier and more sustainable environment.
