Dear Sir

On behalf of Dr.V.N.BRIMS, I wanted to express our sincere gratitude for your guest session on '**Career Opportunities in the Social Sector**' conducted on 30th March, 2023 at our institute. Your contribution was invaluable, and we received numerous positive comments from the students about your session.

Your expertise on the topic of career in social sector was evident, and your insights provided a new perspective to the students of our institute. We were all thoroughly engaged and learned a great deal from your presentation.

Again, we are deeply grateful for your participation and for sharing your knowledge with us. We hope to have the opportunity to work with you again in the future.

Regards,

7	Executive Summary of the Event:	<p>On 23rd April 2023, a rally was organized to promote cleanliness and awareness about the importance of hygiene. The event was held at Panini Auditorium and was attended by more than 100 students from BRIMS. The rally aimed to raise awareness about keeping the surroundings clean and to encourage people to take responsibility for their surroundings.</p> <p>Opening Ceremony: The rally began with an opening ceremony, which was inaugurated by Dr. Aparna Bedekar. She emphasized the need to keep our environment clean and highlighted the importance of cleanliness for the overall well-being of the community.</p> <p>Pledge Taking Ceremony: After the opening ceremony, a pledge taking ceremony was conducted. All the participants took a pledge to keep their surroundings clean and to spread awareness about the importance of cleanliness among their friends and family.</p> <p>Street Play: Following the pledge taking ceremony, a street play was performed to educate people about the consequences of an unclean environment. The play depicted how a clean environment can positively impact our health and well-being.</p> <p>Rally Round the Campus: After the street play, the participants started the rally round the campus. The students carried banners and placards with slogans like "Cleanliness is Next to Godliness," "Keep Our Campus Clean," and "Say No to Littering." The rally aimed to encourage people to take ownership of their surroundings and to promote a cleaner environment.</p> <p>Selfie Point: In the end, a selfie point was set up, where the participants clicked selfies with the banners and placards they were carrying.</p> <p>Conclusion: The rally was a great success, and it achieved its objective of raising awareness about the importance of cleanliness. The participants vowed to keep their surroundings clean and to spread awareness about cleanliness among their peers. The event was a reminder that small steps like keeping our surroundings clean can go a long way in creating a healthy and happy environment.</p>

Dear Sir

On behalf of Dr.V.N.BRIMS, I wanted to express our sincere gratitude for your guest session on '**Life Style for Environment**' conducted in our institute. Your contribution was invaluable, and we received numerous positive comments from the students about your session.

Your expertise in the topic of sustainable environment was evident, and your insights provided a new perspective to our students. We were all thoroughly engaged and learned a great deal from your presentation.

Again, we are deeply grateful for your participation and for sharing your knowledge with us. We hope to have the opportunity to work with you again in the future.

Regards

Dr. Nitin Joshi

(Director- Dr. V.N.BRIMS)

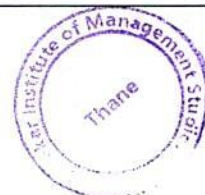

VISION

Be recognised as a leading business management institution creating value-based professionals and entrepreneurs contributing towards sustainable development of society.

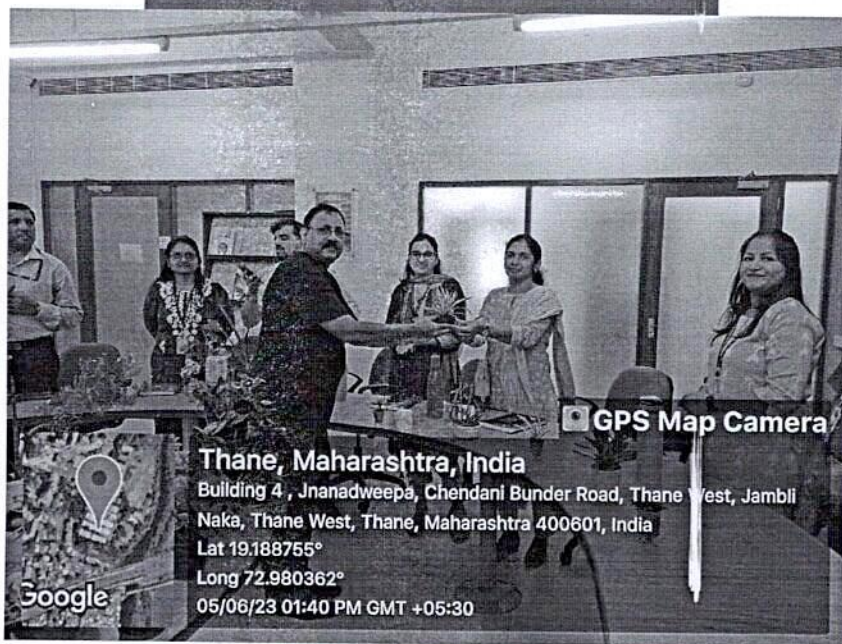

REPORTS OF THE EVENTS CONDUCTED AT BRIMS

1	Name of The Event:	Go Green Week
2	Organised by: (Committee name)	CSR Committee.
3	Location and Venue:	---
4	Date and Timing:	29 th May 2023 to 5 th June 2023
5	Resource Persons/ Speaker/ Organisation	_____
6	Participants: (Students/ Faculty/ Staff)	Teaching Staff (05), Non- Teaching Staff (04), Students (08)
7	Executive Summary of the Event:	<p>The CSR committee organized Go Green Week from 29th May 2023 to 5th June 2023, to raise awareness about carbon footprints among students and faculty members. The week-long event included an activity related to a competition for students and faculty to share their lifestyle about how they have reduced their carbon footprints. They were asked 10 questions related to their routine activities connected with the carbon footprints.</p> <p>The CSR committee also shared promotional material on social media to raise awareness about carbon footprints. The material included infographics, articles, and videos about the environmental impact of carbon emissions.</p> <p>The Go Green Week was a success in raising awareness about carbon footprints. Dr. Pallvi Chandwaskar was rewarded for scoring the highest points (in reducing carbon footprints) was rewarded. The CSR committee is committed to continuing to raise awareness about environmental issues. The Go Green Week was a great first step, and the committee plans to organize similar events in the future.</p> <p>Here are some of the key takeaways from the Go Green Week:</p> <ul style="list-style-type: none"> ✓ Carbon footprints are a measure of the impact our activities have on the environment. ✓ There are many ways to reduce our carbon footprints, such as driving less, using less energy, and recycling. ✓ We all have a role to play in protecting the environment. <p>The Go Green Week was a great opportunity for students and faculty members to learn about carbon footprints and how they can make a difference. The committee is grateful for the support of the students, faculty, and staff who participated in the event.</p>

We are excited to announce the commencement of Green Week, a week-long celebration of sustainable practices, taking place from **29th May 2023 to 5th June 2023**. As part of this initiative, we are organizing '**Go Green Week**' competition. This competition is open to all faculty members, non-teaching staff, and students. The purpose of this competition is to encourage all to adopt eco-friendly habits in their daily lives. Participants will receive MCQ questionnaire everyday related to the green practices they have adopted throughout the day. The competition will end on **4th June, 2023**. On 5th June 2023 on the occasion of **World Environment Day**, winners will be announced. Winners will get an attractive prize as a token of appreciation for their dedication towards a greener future. **Let us unite in our efforts to make a positive impact on the environment and create a sustainable world for generations to come!**

HOW DOES COMPOSTING HELP THE ENVIRONMENT?

GREENHOUSE GASES TRAP HEAT IN THE ATMOSPHERE.

Too much greenhouse gases can contribute to the depletion of the protective ozone layer and climate change.

HUMAN ACTIVITY HAS INCREASED GREENHOUSE GAS EMISSIONS OF:

- carbon dioxide (CO₂)
- methane (CH₄)
- nitrous oxide (N₂O)
- fluorinated gases

The best way we can help decrease methane emissions is to compost!

COMPOSTING DECREASES THE GREENHOUSE GAS, METHANE.

Composting = recycling organic, decomposable, biodegradable waste into nutrient-rich fertilizer for our crops

- aerobic nature of composting produces very little methane
- composting will decrease the amount of trash that goes into landfills
- composting decreases methane emissions

Methane is a greenhouse gas that is, over the course of 20 years, **72 times more potent than CO₂.**

What are some everyday items that can be composted?

- + Bread, grains, pasta
- + Coffee grounds, filters
- + Eggshells
- + Tea bags
- + Vegetable, fruit scraps
- + Shredded paper
- + Paper towels
- + Leaves

LANDFILLS ARE THE LARGEST HUMAN-MADE CONTRIBUTOR OF METHANE INTO THE ATMOSPHERE.

When organic waste is disposed of in the trash, instead of composted, it ends up in a landfill. As the landfill is filled and covered, no air can pass through, causing anaerobic conditions. In these conditions, the decomposition of organic waste produces methane within the landfill that needs to be released.

*aerobic = air
anaerobic = no air*

6% of global greenhouse gas emissions come from food losses and waste

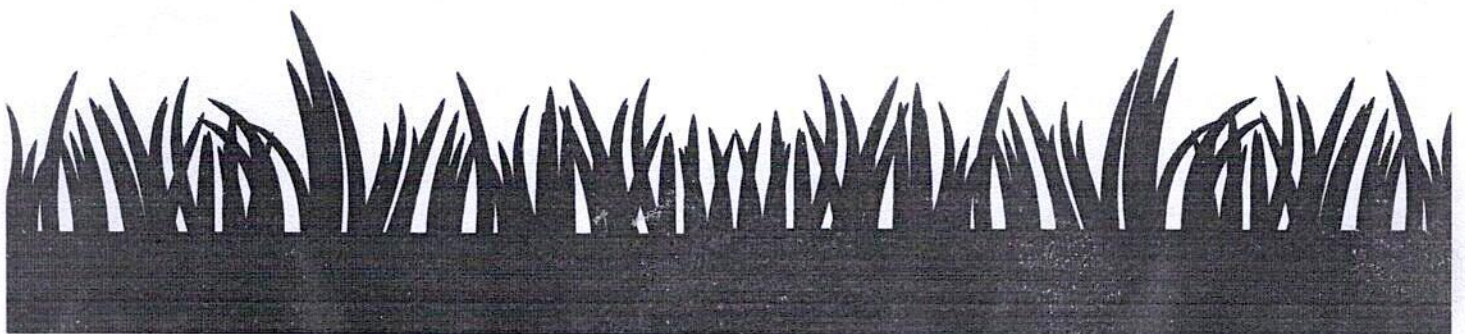

Emissions from food that is never eaten accounts for 6% of total emissions

Food production is responsible for 26% of global greenhouse gas emissions

Note: One-quarter of food emissions comes from food that is never eaten: 15% of food emissions from food lost in supply chains, and 9% from consumer waste.

7	Executive Summary of the Event:	<p>The objective of this event was to promote physical and mental well-being among the students and faculty members, highlighting the importance of yoga in managing stress and maintaining a healthy lifestyle. The activity aimed to create awareness about the numerous benefits of practicing yoga regularly. The yoga activity commenced with a brief introduction by the Yoga Instructor and faculty Dr. Pallavi Chandwaskar, emphasizing the significance of International Yoga Day and its global celebration.</p> <p>The activity began with a gentle warm-up session to prepare the participants' bodies for the subsequent yoga exercises. The warm-up included light stretches, joint rotations, and deep breathing exercises. Dr. Pallavi guided the participants through a series of asanas (yoga poses) that focused on enhancing flexibility, strength, and balance. The asanas included popular poses such as Tadasana (Mountain Pose), Uttanasana (Forward Fold), Bhujangasana (Cobra Pose), and Shavasana (Corpse Pose), among others. Participants were encouraged to perform the asanas mindfully, paying attention to proper alignment and breath control. Towards the end of the session, a guided meditation was conducted to help participants experience a sense of deep relaxation and inner calm. This segment aimed at enhancing mindfulness and reducing stress levels.</p> <p>The session also incorporated pranayama techniques, which are breathing exercises that promote relaxation and mental clarity. The participants learned and practiced various pranayama techniques, such as Anulom Vilom (Alternate Nostril Breathing) and Kapalabhati (Skull Shining Breath).</p> <p>After the end of the Yoga practices, Dr. Nitin Joshi (Director) emphasised that Yoga practices should be a routine activity in the institute not only for the students but also for the staff members. He also felicitated Mr. Vaibhav Pandit (Administrative- Head) and Ms. Vibhuti Save (Assistant Professor) as the winners of 'Yoga Week' competition conducted by CSR committee. In the end he felicitated Dr. Pallavi Chandwaskar for her role of Yoga Trainer for the day.</p>

History

Information, knowledge, Content

All the information and learning which I got to learn. The speaker Kaustubh Kasture had so much and correct information about the topic and was able to answer and take our questions or Doubts.

Overall content was good.

History is interesting.

What did you like least about this event?

Less time

There is nothing I like least, everything thing was to up to mark.

The story of pratapgad is quite it known to everyone.

How do you think this event could have been improved?

Give examples related to management

Do college meet

Would have loved if this was a offline session.

Another story or strategy of maharaj would be more effective for management students.
