

BRIMS conducted a National conference on 5<sup>th</sup> February 2022 giving an opportunity to all knowledgeable, experienced & aspiring personalities to join together to exchange their knowledge and understand its application. The theme of the conference was **'Management Education: Being Relevant through Applying, Analysing, Evaluating and creating'**. More than 200 students, faculty, industry experts and academia were the part of the conference

It was an immense pleasure to have Prof. Dr. Anand K Joshi ,Country Policy Advisor, ISDC Global, London Advisor-Education, JSW Steels, Mumbai as the chief guest & Mr. Ramkumar Ramamoorthy, Pro-Vice-Chancellor Krea University Former Chairman and MD of Cognizant as the key note speaker.

Dr. Nitin Joshi, Director DRVNBRIMS initiated the event with his noteworthy insights on Bloom's Taxonomy and its application in real life as well as zero defect concept with focus on the constitutional values and new education policy, highlighting the role of students, teachers and institution. This was followed by inspiring speech of Director General Dr. Guruprasad Murthy emphasizing students as prime stakeholder whom we should give freedom to choose their career options, revival of ancient Indian culture, Role of values in any success .

Further the event continued with very thought provoking panel discussion wherein discussion was conducted among eminent speakers, Mr. Sameer Apte ,Master career Mentor and Trainer, Dheya Career Mentors (I) Pvt. Ltd., Mr. Nalin Pant ,Lead - Learning Services Humane Design and Innovation Consulting ,Ms. Anuradha Iyer, Director, Development, Krea University Mr. Kaushik Merchant ESG Advisor & Sustainability Consultant, Business Excellence. They threw light on the theme and more practical approach in management education to build industry driven personalities

A good number of students were the part of this conference through Intercollege competition (Prarambh) and Research paper presentation competition.

The event was conducted with great zeal from all participants which was eventually concluded with vote of thanks proposed by Dr. Smita Jape Convener Conference.
