## TESTIMONIAL

Name: Shraddha R Rawale

Company: IDBI Bank

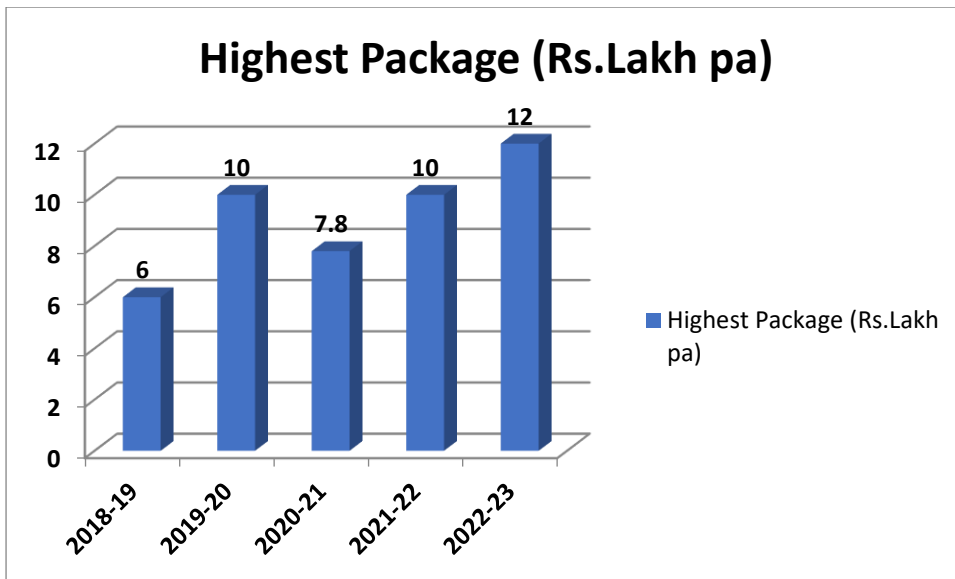

Package: 12 Lacs

MMS 21-23 Batch

I express my sincere appreciation to BRIMS for providing me the opportunities for experiential learning and practical application of knowledge. Through research projects and other engagement activities, I gained hands-on experience and applied classroom concepts to real-world situations.

I am profoundly grateful to my professors for their invaluable knowledge, mentorship, and unwavering support throughout my academic journey. I am also thankful to the placement team for their support and guidance in securing valuable career opportunities.

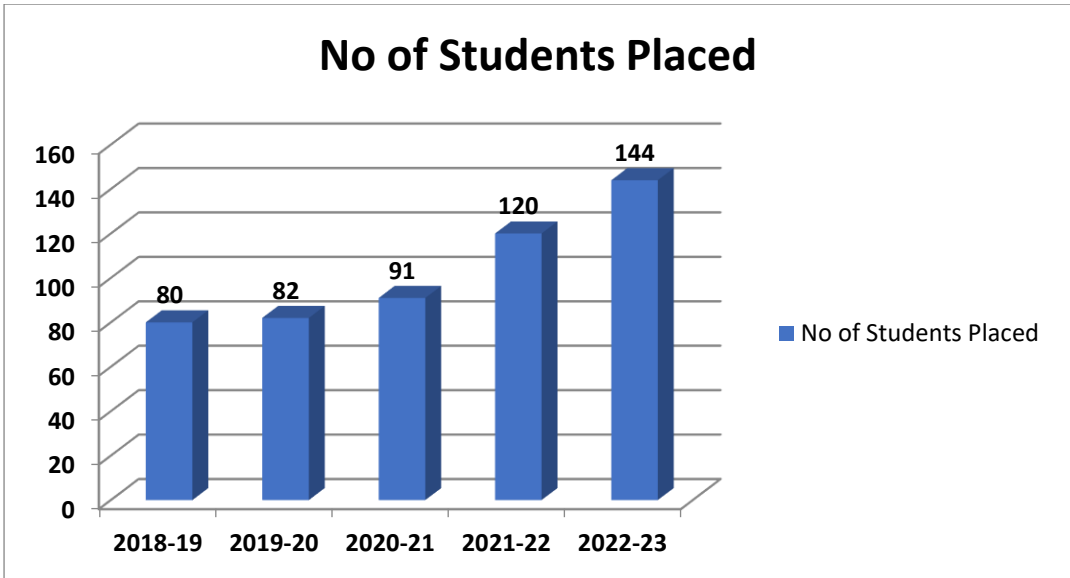

My time at BRIMS has been a transformative experience, equipping me with the knowledge, skills, and lifelong connections that will shape my future with confidence and gratitude.

This year highest package of the institute touched the figure of 12 Lakhs. It is not one or two students but overall, 5 students who received the package of 12 Lakhs. Many students got packages in bracket of 5 L to 8 L.

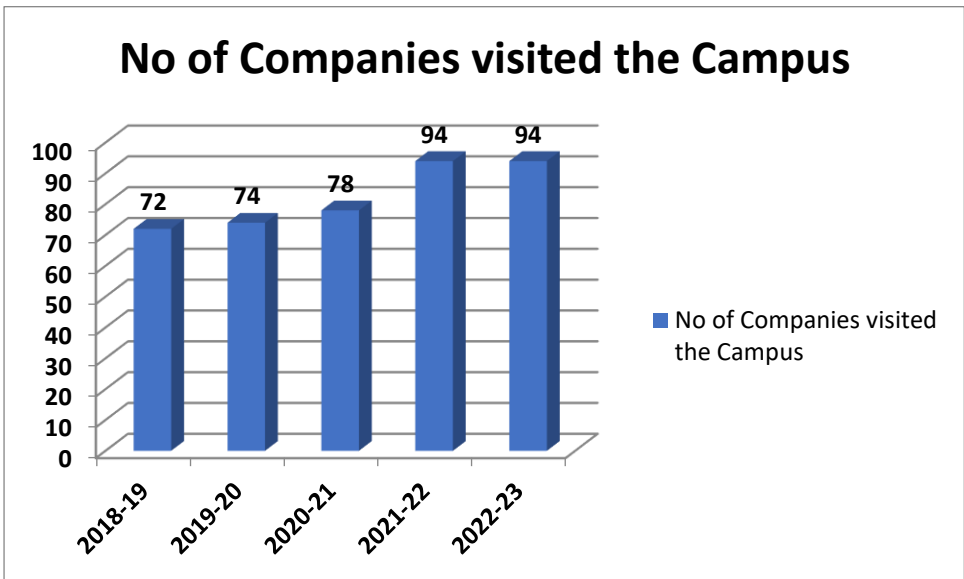

We believe that a blend of industry-academia activities makes student prepared and competitive for opportunities and challenges available in the global scenario. DR V N BRIMS has another feather in its caps in terms of placements. DR V N BRIMS has placed 144 students from the batch 2022-23. Campus recruitment was concluded in the month. MMS students got the opportunities to work with companies/Banks like IDBI Bank (5 students with the package of 12 LPA), Visible Alpha (students for the package of 5 LPA), MorningStar, Godrej & Boyce, Aira Consulting, BSE, IDFC First Bank, Oppo Mobiles, VIP Industries. DR VN BRIMS observed the growth in terms of number of students placed, number of companies visited, number of brands etc

The detailed statistics for the same is graphically presented as below:

In Sync Analytics recruited students from DR VN BRIMS for the post of “Financial Analyst”. The HR team of In Sync Analytics shared exiting feedback about the Institute and teaching faculties and quality of the students. Most of the well-known recruiters are consistent since last five years due to consistent quality of students and consistent efforts of the institute in terms of skill development and industry connect.

“Quality of the students in DR V N BRIMS is improving year after year and Institute is making efforts to enhance their core knowledge and skills. The efforts of the Institute and placement cell is clearly seen during the recruitment drive at DR V N BRIMS” says Senior HR Manager from In Sync Analytics.

Number of companies visiting the campus for final placements are also increased. There incremental growth in terms of number of companies visited BRIMS’s campus. Every year we keep on adding new companies.

In addition to this, summer internships are mandatory here and ensure value contributions to the organizations through student efforts and knowledge of experienced faculty. 75% of the students were offered stipend by organizations coming to the institute for internships.
