From Management's Desk

We are pleased to release this booklet *Alumni Avenue of DR VN BRIMS* which presents the profile of our past students from 2005 onwards. In all, the *Alumni Avenue* includes the profile of 70 students. The DR VN BRIMS alumni association known as *Marma-Bandh*, has set for itself certain objectives which is presented in this booklet. There is no need to articulate the importance of an alumni association for an educational institution. The mission of *Marma-Bandh* is *'to develop, nurture and strengthen a lifelong relationship between DR VN BRIMS and its alumni'*. VPM Thane makes every effort to ensure that its respective institutions foster the right relationship between the concerned educational institution and past students.

DR VN BRIMS has also maintained this practice with a view to network with its alumni and also ensures that there is an effective networking with past students, among themselves, inter-se. The network among past students is a very important platform for the alumni and present student to identify their oneness and develop a camaraderie which can really initiate a bonded relationship to ensure successful fulfillment of the envisaged mission.

The alumni meets periodically and also annually at a special function organised for the meet. Over the years, the bondage has developed and grown into a family relationship under the broad umbrella of VPM's (Thane)

DR VN BRIMS. We hope this bondage will continue and strengthen itself further to deliver effective services to all stakeholders of the alumni, VPM's (Thane) Group of Institutions and society at large.

We wish our alumni every success in all its professional and other spheres of life.

For a teenage institute, like Dr. V. N. Bedekar Institute of Management Studies (DR VN BRIMS), it is a matter of pride to see our alumni flying high in their professional lives. Many have reached senior positions as Vice Presidents, General Managers, Senior Managers in reputed world-class organizations. They are connected with the institute through various forums both formal as well as informal. Alumni are invited at the institute for delivering guest lectures. The alma mater feels proud when alumni get associated as visiting faculty with the institute. They are also invited for evaluating projects and conducting viva. 'Chai with Alumni' is another forum facilitating mentoring for the current students by our distinguished alumni. Our alumni also actively participate in the sports and outbound training camps organized by us. We have recently formed the alumni association named 'Marma-Bandh'. Alumni are an inseparable part of the DR VN BRIMS family and we are happy that they are connected with their alma mater and we value this life-long association.

This alumni booklet is an effort to compile the profiles of our alumni since 2005 (names arranged in alphabetical order), which gives recognition to the alumni and an opportunity for the institute to express its 'Marma-Bandh' with the alumni forevermore.
